### Tracks

- 1 Frameshift
- 2 Frameshift (Neon Tuesday remix)

### Notes

The latest release in Banoffeesound's busiest season to date is the second release on the label from **Thomas Touzinsky** - the first having been under his **BitPusher** monicker.

Frameshift is a progressive seven minute synth-house journey over a solid, super-tight breakbeat. It ebb and flows with confidence. It will definitely appeal to fans of **Gui Boratto** or **Dominik Eulberg**.

Fresh from their well-received **Anna Stimpson** remix, the enigmatic **Neon Tuesday** are on remix duties, turning out a mix that's faithful to the original yet still gives it a fresh synthwave spin, twisting the bassline halfway to disco. The slightly more 80's flavours remind us what a debt the whole genre owes to **Tangerine Dream** and **Jean-Michel Jarre**.

### Label

This is the 15<sup>th</sup> release on the Banoffeesound label, building up a broad and open-minded portfolio of house music spanning all the way from the synthpop mountains to the techno sea.
