Notes

After Billboard top 30 success with Nathalie Archangel's "Unleashed", the Banoffeesound label release two new mixes of a dark pop track about identity and freedom.

SOM (full name Straight Outta Mongolia) teamed up with Carys Dixon for an attitude-laden pop tune, taken in different directions thanks to a house mix from Banoffeesound co-owner **DonQuibeats** and a darker techno rework from **CNSNNT**.

The original version of "You Don't Know Me (Gil)" is available on the "Mutant Pop" album, available on Bandcamp: <https://straightouttamongolia.bandcamp.com/album/mutant-pop-lp>

Label

This is the 27th release on the Banoffeesound label, building up a broad and open-minded portfolio of house music spanning all the way from the synthpop mountains to the techno sea.
